Please remember, the requirement to attend Family camp, is one must have a child attending the children portion of Camp New Dawn. Also it highly recommended for the parent/guardian who is attending Family Camp that they stay for the entirety to be able to fully benefit from the program. The 24 hour Adult Retreat will be from Aug. 10th- Aug. 11th and the children will be joining on August 11th with parent/guardian to complete the Family Camp portion that will end Aug. 12th

Our primary concern is the health and safety of every member of the Camp community. Camp New Dawn is a smoke-free, alcohol-free, drug-free, and weapon free community. There will not be a nurse at Camp so please bring any necessary medications your family will need.

Health Wellness Information: We will adhere to the CDC and WHO standard event safety protocols. We look forward to being together and our goal is to protect children, families, and staff. Any camper who comes in contact with someone who has tested positive for COVID-19, or tested positive themselves, or is experiencing any COVID/Flu/Stomach Virus like symptoms will not be permitted to attend camp program.
